

Ostap Timur Tymchenko

ostapt2@nycstudents.net ♦ (646) 335-2299 ♦ [GitHub](#)

⊗ Background

Hi! I am Ostap Tymchenko, I am a junior developer and illustrator. I've spent 7+ years doing art in school, and professionally and you can find me doing everything from making posters to writing code to wearing funny hats.

⊗ Experience

- ◆ 19 Months at A&D marketing agency and SDI as Graphic designer
Worked with partners like HBO and Aubin films to make promotional strategies

- ◆ Performance evaluation →  Supervisor Evaluation
- ◆ 2022 supervisor contact → clandegger@schools.nyc.org
- ◆ 2023 supervisor contact → MBridenstine@schools.nyc.gov
- ◆ 2022 HBO letter of Rec. →  HBO recommendation letter

- ◆ 3 years at summer internships like SYEP and ISP as a Graphic designer and IT assistant.

- ◆ Bright Power – Data scrapping and Graphic Design (ISP)
 - ◆ Saved clients tens of thousands of dollars via tax redemptions
 - ◆ Created automated tools in python and wrote documentation
- ◆ Sandra bakery – Graphic Designer (ISP)
- ◆ High School of Art and design – IT assistant (SYEP)

⊗ Skills

Python, Rust, Bash, Linux, [git](#), [vim](#)/[neovim](#), and very willing to learn anything new in your tech stack! On the creative side i've used Photoshop, Photopea, Krita, Canva, Docs & Excel.

⊗ Portfolio

- ◆ [AOC](#) – Common computer science problems, competitively, yearly.
- ◆ [PDF-analyzer](#) – Early stage PDF to excel extractor.
- ◆ [Art portfolio](#) – A full art portfolio created over 2 years.

⊗ Education – illustration major

- ◆ High School of Art & Design, New York City – illustration major

The high school of art and design is one of the top 7 high schools in NYC

- ◆ Illustration major – with credits in graphic design
 - ◆ Working on multipart ink, charcoal, watercolor, oil, and digital client-oriented projects.
 - ◆ 7+ years making art, 3+ years using Photoshop
 - ◆ Received adobe PS proficiency certification -  Adobe PS Cert
